

Green Valley Farms

Established in 1994 as one of the largest Belgian Draft Horse Breeding Farms in North America

Located just 5 miles from Gallipolis, *Green Valley Farms* is 500 acres of green lush pasture and hay land.

Green Valley Farms now offers group educational tours of the farm where guests experience the world of the draft horse.

Average time of the educational tour is 2 hours

The property has a host of barns which house the stallions and breeding mares, also housed in one of the barns is the "Green Valley Six Horse Hitch" which has proudly participated in the Orange Parade, National Football Hall of Fame Parade and numerous local and regional parades.
